Our Procurement Department.

CGP, through strategic partnerships, undertakes infrastructure projects for clients in mining, oil and gas, and renewable energy industries. We deliver comprehensive Global Supply Chain Management, handling everything from technical inputs to the delivery of finished products at the client's site, in accordance with agreed Incoterms®.

- Technical inputs analysis & optimisation
- Definition statement of a procurement strategy
- Sourcing (local & global)
- Technical and financial optimisation
- Expediting & production follow-up (TP inspector allocated)
- Pre-shipment inspection
- Shipping document issuance
- National & international transportation, until delivery on site
- After sale and warranty management

Piping & Steels.

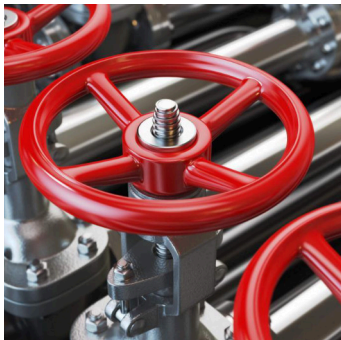

Piping

- Carbon steel, stainless steel or HDPE
- Welded or Seamless
- Bare or Coated
- Heat Exchanger pipes
- Finned pipes

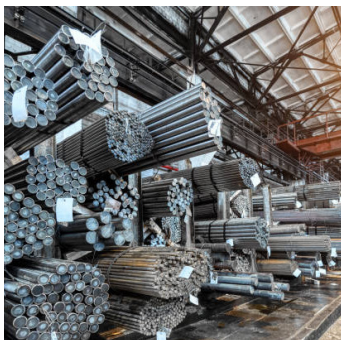

Fittings

- Flanges (WN, slip-on, blind, lapped, threaded, swivel)
- Forged steel fittings (threaded, SW, reinforced branch fittings)
- Stud bolt & Gaskets
- Welded fittings (tee, elbow, reducer, caps)

Valves

- Butterfly Valve
- Check Valve
- Floating or trunnion ball Valve
- Forged or cast steel valves
- Gate Valve
- Globe Valve
- Manual or actuated Valve

Structural Steel

- Gratings (Electroforged, fiberglass)
- Structural Steel (S-shape, H-Beam, Channel...)
- Plates
- Warehouse
- Steel frame

Mechanical Equipment.

Pumps

- Transfer pumps
- Dosing pumps
- Lifting pumps
- Submersible pumps
- Centrifugal pumps
- Volumetric pumps
- Diaphragm pumps

Specific Equipment

- Floating roofs & vacuums
- Tank truck loading gantry (TTL gantry)
- Weighbridge
- Filter elements
- Horizontal gauges
- Gas-station equipment

LPG or LNG

- LPG filling plants
- Gas Cylinder
- Gas Cylinder Safety Cap
- LPG or LNG tanks
- Gas compressor
- Mobile Gas-stations

Compressors

- ABAC
- ATLAS COPCO
- COMPAIR
- INGERSOLL RAND
- KOBELCO
- SULLAIR

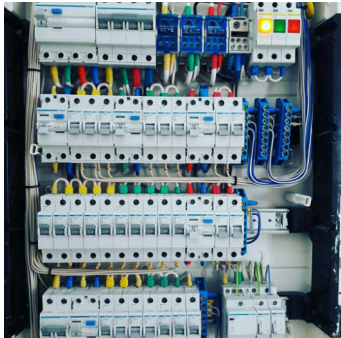

Electricity, Instrumentation & Automation.

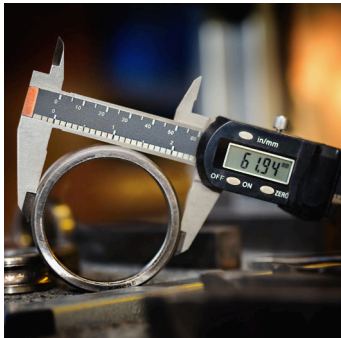

Fluid Transfer System

- Volumetric Flow Meter
- Turbine Flow Meter
- Flowmeter
- LPG loading arm
- Top & Bottom loading arm
- Marine loading arm

Industrial Electricity

- Electrical cables
- Junction boxes
- Low, medium and high voltage equipment
- ATEX equipment
- Lighting Fixtures
- Electrical Box

Measurement & Control

- Tank Level Gauge
- Pressure Gauge
- Temperature Gauge
- Density meter
- Management system
- Metrology

Generator & Engine

Firefighting Equipment.

Fire Pumps

- Fire pumps
- Pumps on trailer
- Transportable pumps
- Skid pumps
- Fire pumps and fire hose reels
- Foam pumps
- Skid foam pumps

First Response Equipment

- Monitors
- Hose reels
- Fire hydrant
- Hoses
- Fire cabinets with firefighting materials
- Water & Foam Manual Nozzles
- Fire hose couplings

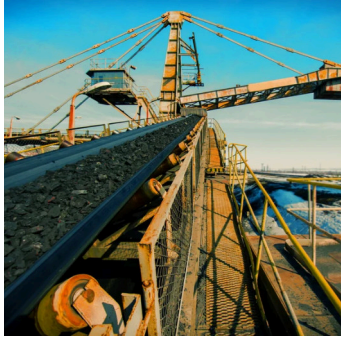

Dosing & Emulsifier

- Foam concentrates
- Foam chambers
- Foam weirs
- Nozzle & sprinkler
- Bladder
- Fire water tank
- Foam mixers
- Deluge skid

Other Equipment.

Mining

- Tires
- Filters
- System & belt conveyor
- Oils & lubricants
- Specific tools
- Specific steels

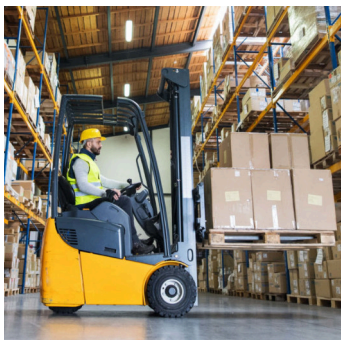

EPI / PPE

- Helmet
- Gloves
- Shoes
- Noise protection
- Respiratory protection
- Glasses
- Anti-fall protection

Laboratory

- Gauging rods
- Densimeter
- Test tube
- Flammability
- Manual sampling
- Freezing point
- Viscosity

Material Handling

- Lifting hoists
- Lifting equipment
- Forklift
- Pallet trucks
- Hand tools
- Welding equipment

Other Equipment.

Renewable Energies

- Waste heat recovery
- Solar & thermal panels
- Hydrogen
- Biomass

Other Sectors.

Airport Equipment

Marine & Offshore Equipment

Cement Equipment

Construction Equipment

Contact Us.

For further details about our services and opportunities for collaboration, please visit our website or contact our office directly. We are dedicated to fostering productive partnerships and advancing the energy sector in Namibia and beyond.
